

# Contest Logging Software

Kent Henneuse K6ENT

Mike Polkinghorn K6PUD

Dean Wood N6DE

# **Why Would You Want Contest Software?**

- Fast, accurate dupe checking
- Automatic scoring
- Easy contest entry submission
- Many powerful features

# Cabrillo File

- One file contains the entire log and summary information.
- No need for the separate log, summary, and dupe sheet files!
- Primarily designed to make life easier for log checking.
- [www.kkn.net/~trey/cabrillo/](http://www.kkn.net/~trey/cabrillo/)

# Contest Software Features

- Instant mult tracking
- Band/rate summary
- Heading/QTH
- Check call
- Super check partial
- CW keying
- Voice keying
- Network
- Packet DX cluster
- Radio control
- Band map
- Cabrillo output
- # of contests
- ADIF output
- Support
