“The Physics of DX”

By Cliff Stoll, PhD, K7TA

Hosted at the regular
January NCDXC Meeting

Thursday, Jan. 21st

6pm Dinner & Social

7:15pm Club Meeting - Presentation

Don't Miss Your Chance To See The Amazing And Entertaining PhD Astronomer, Author, Klein Bottle Builder and Physics Teacher!

Cliff Stoll, K7TA has twice been the banquet speaker at Dayton ('93 & '95) where he was said to have 'wowed' the crowd. He is perhaps best known for his book “The Cuckoo's Egg - Tracking a Spy Through the Maze of Computer Espionage” and the companion PBS - NOVA program entitled, “The KGB, the Computer, and Me.” In his presentation for the NCDXC, Cliff will lead us on a journey that overlaps Physics with Amateur Radio, featuring live demonstrations and experiments. Without question, you can't miss this presentation!!!
